

Girl Code Week 3 Recap

Week 4 Reading Assignment: Luke 7:36-48 & John 4:4-42

Abigail – Your Value “*Favor in your Sight*”

The objective for Week 3 was to discover the value that God has placed in you

Questions to reflect on:

What value has God placed in me?

How can I be a blessing and demonstrate my value to others?

What problems have I been called to solve? (*in your school, home, workplace, etc*)

Highlights from class:

- Your value/vision must come from God
- Your value is connected to your calling
- In order to identify the value that God has placed within you, you must first come into the knowledge of your identity in Christ
- The knowledge of who you are and what you carry will lead you in the path that the Lord has ordained for you
- When you know your value/worth, you will not entertain the false identity that the world will try to place on you
- When you demonstrate your value, you will begin to experience more opportunities to add value

Scriptures to reflect on:

- Revelation 3:8
- Galatians 6:1
- James 1:17
- 1 Peter 4:10
- Romans 12:16
- 1 Corinthians 12:4

Note: Please note that we will be engaging in a brief recap of last week’s lesson to have those that were away catch up on the material

Can’t wait to see you ladies on Saturday by God’s grace!
