

Girl Code Week 9 Recap

Week 9 Reading Assignment: Genesis 17:15-22

In Week 9 of Girl Code we discussed the topic of Waiting on God

Highlights from class:

- What is Faith? – believing in what we have yet to see
- Without faith it is impossible to please God
- Faith requires trust
- Faith requires patience
- Faith comes by reading and meditating on the word
- Just as the Lord had encountered Abraham, we receive instruction and a promise from God without knowing all of the details concerning that promise
- The timing of the Lord is His own
- The wrong expectation can lead to discouragement and disappointment
- There is purpose behind the wait. Focus on what God has said and proclaim the promise

Scriptures to reflect and meditate on:

- Hebrews 11:1
- **Mark 11:23-24
- Hebrews 11:6
- Romans 8:25
- Hebrews 10:36
- Romans 5:3-4
- Isaiah 42:8
- II Corinthians 11:2
- Romans 10:17
- Matthew 19:26
- Colossian 1:11
- Habakkuk 2:3

Note: Please note that we will be engaging in a brief recap of last week's lesson to have those that were away catch up on the material
